Shelter Hall

Not your regular Christmas celebration

Shelter Hall

Shelter Hall isn't a traditional restaurant.

We're Brighton's only food hall - home to seven independent kitchens and two bars, each serving up bold flavours from around the world. From tacos to Thai, burgers to bao, **everyone gets exactly what they want** - making it the perfect venue for festive group celebrations.

Group Bookings

We can accommodate large group bookings in our main hall which offers communal tables amongst our kitchens. Perfect for groups who want a buzzy atmospheric meal with the option for digital ordering from your table, or table buffets.

On Friday evenings in December 7pm-9pm, there will be live music in the hall so no need to organise entertainment!
